CAR REALTOR® of the Year 2012 Nomination Form

Please describe qualifications for your nominee for each of the following categories:

REALTOR® Spirit

Faithfulness and willingness to support the articles and principles designed to distinguish REALTORS® as professionals of real estate to others in the business as well as the general public.

Member Board Activity

Activity through board office and committee work, special assignments, educational development or membership in a REALTOR® institute, society or council chapter.

State Association Activity

Involvement through elected or appointed positions, committee work and attendance of state business meetings as well as the pursuit of educational or professional designations.

National Association Activity

Recognized activity within the national structure through involvement in committees, task forces, or leadership roles.

Civic Activity

Local, state and national level participation in activities benefiting the public for example: service clubs, charitable organizations, political, fraternal or religious groups.

Business Accomplishments

Recognized good business conduct, utilizing REALTOR® principles to provide the best, competent service for clients.
